BÉSAME, BÉSAME MUCHO (BEATLES)

(Kiss me, kiss me a lot)

Bésame, bésame mucho
each time I bring you kiss I hear music devine
so bésame, bésame mucho
I love you forever say that you'll always be mine

cha cha um

dearest one, if you should leave me
then each little dream will take wings and my life will be through
so bésame bésame mucho
oo love me forever, make all my dreams come true

oooo

this joy is something new
my arms are holding you
never knew this thrill before
who'd ever thought I'd be holding you close to me whispering its you I adore

yes o so dearest one if you should leave me
then each little dream will take wings and my life will be through
so bésame bésame mucho
I love you forever make all my dreams come true

oooo

this joy is something new
my arms are holding you
never knew this thrill before
who'd ever thought I'd be holding you close to me whispering it's you I adore

o so dearest one if you should leave me

Alba
